From the Editor

by Noble Kenny G

Hope you all had a great summer. HOT! HOT!; but that didn't stop us from participating in Shrine events in Khartum Land.

This is my second publication since taking over the reigns of the Khartum Khronicle. Since the email versions have been introduced, it sometimes created a problem for some of you to receive the large files and also some had server problems. To remedy this I have worked with the Webmaster to upload the Khronicle first to the Website and then the link is forwarded to you. This means no more large files for you to download or server problems. From some of the feedback it appears this has resolved those issues. The electronic "email" version has cut down the huge costs which burdened Khartum when all was just printed; but that said we still have a fair number of members that do not have email so we still continue to do a printed copy which is made available to those members without email at a nominal fee to cover the cost of materials used in printing and the cost of mailing. If anyone wants to be a "Khronicle Supporter", a nominal donation of \$20, gets your name on the Khronicle Supporters List published in

each edition for that specific year.

To be a Khronicle supporter please forward a cheque and include supporter's name(s) made payable to:

I've noticed that several Units have not had a submission in this or the last Khronicle. The whole idea of the Khronicle is for your Unit or Club to have a great opportunity to update everyone in Khartumland and beyond what you have been up to. We look forward to all Units co-operation in the future and entering an article and pictures.

The next edition will be published January 30, 2019, with editions on May 30 and September 30. All submissions for the January 30, 2019 edition, must be in to me by January 01, 2019, although this date being New Years Day, I will ask that you have your submissions in by the 3rd of January. Please...no later! Thankyou!

From the Desk of The Potentate

Illustrious Sir Alvin Allard

Greetings Nobles and Ladies, Well the summer is going by and by now, we have had several events come and go.

The August long weekend was very hectic as we travelled (very early) to Dauphin on the Saturday to attend the Ukrainian festival parade. Lady Judy and I were accompanied by a few Nobles and ladies, as well as the Brandon Shrine Club who had a very enjoyable time, followed by great fellowship hosted by the Dauphin Club. Nobles, I would encourage you to attend Dauphin next year, they are a small club, but they are very proud of their community involvement and thus, I salute them! The Oasis alone is worth the trip!

Sunday took us to Kenora for the annual Lake of the Woods fish fry and we were once again treated to a feast! The L.O.W club are to be commended on a job well done! Thank you to the members of the Divan and Nobility for joining us. Special thanks go out to Noble Ross Sillery and Lady Lorraine for providing us with the perfect backdrop, what a beautiful view! To the Nobles, Ladies and outside help that were there, you all did a great job!

The following Monday was the Icelandic Festival in Gimli, Islingadagurinn to those who can pronounce it! It is always very fulfilling to see the participation of our nobility at this event, thanks to all who took the time to come out!

The Legion in Gimli once again showed their appreciation by hosting our Oasis. To note, El Zagal of Fargo ND Potentate Illustrious Sir Rocky Rockswold and I are working to try and have their Viking unit come down to Gimli next year and will hopefully showcase their replica Viking ship in the parade as our guests. Let's keep our fingers crossed as this Ship is very impressive!

MSA followed shortly thereafter from August 16th to the 18th. Deadwood, South Dakota showed fantastic hospitality as there were so many options to keep us all entertained! I want to thank the Nobles and Ladies who took the time to come down with us and I am sure that you will all attest to the fact that this was one of the BEST MSA events in recent memory. In future events Nobles, look at combining MSA with your summer vacations, the Midwest certainly has a lot to offer! Aberdeen SD is coming up in 2019 and I am sure this will be another great event, so Nobles, mark your calendars!

The Morden Corn and Apple festival was a resounding success and well attended! Thank you to all of the

participants! And Illustrious Sir Col. Saunders, there were apparently a ticket or two on the Mustang that were sold! Thanks for your continued support Illustrious Sir!

Border Shrine Club's annual fish fry was once again held at AAD PP Illustrious Sir Don Ewald and Lady Janet's home and it was another great event. It was a long drive to get there but the fellowship that we enjoyed with the Border Shrine group was very much enjoyed! The conversation that happened with Illustrious Sir Paul Vizanko of AAD and I should result in some very positive news that will be brought forward to the nobility, stay tuned!

Now for the business side of things, I am pleased to report that the Major raffle is going very well, thanks to all who are making an effort to sell the tickets. While close to selling out, this will not be an early draw, it appears a sell out is within reach! Thanks to the Nobles and Ladies who are working hard toward this! Please get your sold tickets into the Office right away! A special thanks go out to Ill. Sir Rick Holberg PP and Noble Myles Bamendine for your help with the venues, and to Noble Hamish Barritt for providing the transportation to these venues. The Chamois car wash has also been a huge supporter and I wish to thank them for their continued support! Nobles, let's show our thanks to the Chamois by supporting them as well!

We had our inaugural Motorcycle poker rally and while the participants were low, the riders who participated had an enjoyable time. Global TV was there to record the event and gave us an opportunity to promote this event. I will remain on board to see this event become an even greater success in the coming years!

We will be hosting a Scotch tasting event on September 22nd, tickets for this are set at \$55, which includes hot hors d'oeuvres, the World Famous Khartum Pipes and Drums and several types of fine single malts.

Our first ever East Coast Kitchen party is coming up on November 10th. Please promote this as this can serve as one of Khartum's Major fundraisers. This can benefit Khartum two-fold. First of all, the financial benefit that it can bring and also the possibility of raising awareness to our membership.

Nobles, in closing, just remember that Khartum is YOUR Shrine and what YOU do helps to ensure that we can have a future so that we can help our children!

Fraternally,
Illustrious Sir Alvin

NOTICE OF MOTION

MOTION

I Robert Kirby, hereby make the following Notice of Motion to be voted upon at the next Stated Meeting on December 06, 2018 regarding the Temple Dues Structure.

Whereas: Khartum Shriners have continuously seen a decline in membership by way of demits and suspension;

Whereas: Many members of our Shrine Temple have indicated that the Temple dues cannot continue to climb as a means of running our Temple at the cost of our Shriners;

Whereas: Our Philanthropy has a large number of members who have dedicated many years to the Shrine but are now in a position they can no longer keep up with the dues structure;

Whereas: Our Temple needs to focus on recruiting more members to support our great cause;

Whereas: Our Divan would rather focus on maintaining membership and making a little off a lot versus a lot of a little;

Be it Resolved that:

The Khartum Temple Dues shall remain at \$139.00 for 2019 as well as the "Per Capita and Hospital Dues" which have yet to be assessed for 2019, but in 2018 were \$6.30 Hospital and \$37.60 Per Capita in total of \$43.90 US Funds for all Shriners with the exception of the following;

Any retired Shriner over the age of 65 who has been an active member for more than five consecutive years in Khartum Shriner can request in writing to the Recorder to have his Temple portion of the dues reduced to \$100.00 plus the Per Capita and Hospital Dues;

Any retired Shriner permanently confined to a retirement village, nursing home or healthcare facility who wishes to remain a member of Khartum can request in writing to the Recorder to have his Temple portion of the dues reduced to \$25,99 plus the Per Capita and Hospital Dues;

Any new Noble joining the Khartum Shrine will pay a \$200.00 Initiation Fee which will include the first year Temple, Hospital and Per Capita Dues but the Noble will be responsible to purchase either a used or new Fez through the Office. If the Noble joins after July 1st of the calendar year, the first year's Temple dues will be pro-rated in the following year. (Ex. Noble joins July 1, 2018 - \$200.00 covers them to July 1st 2019 and they would be prorated from July 2nd to December 31, 2019. Using \$139.00 as an annual membership, they would only pay \$69.50 plus the 2019 Per Capita and Hospital for the remaining six months in 2019)

To off-set the large payment once per year, Khartum Shrine will allow equal monthly automatic payments to all members of Khartum Shrine beginning for 2019 calendar year and it will include the Initiation Fee. Any cases of insufficient funds for monthly withdrawal will result in a \$30.00 service charge back to the Noble.

Recorder's Message

Illustrious Sir Jack Hildebrand [P.P.]

Greetings from your Recorder's Office. First of all, Lady Lynne and I would like to that all of you that have prayed and sent condolences to us on the passing of my brother. It was greatly appreciated in knowing that we had so many friends that prayed for him. Thank you.

Currently our membership stands at 644 down from the start of the year of 664. We have had a few demits, only to initiate 2 new Nobles; but also had many Nobles that have passed to the Black Camel and some that have been suspended. By now everyone should have received from Imperial your 2019 Dues Assessment. You can make payment to the office by cheque, or call in and give the office your credit card number. Hopefully soon you will be able to have your dues and any other payments made by automatic withdrawal from your bank account.

I thought that when I when I was elected as your Recorder it would be just as easy as me being Secretary/Treasurer for my Masonic Lodge, Ophir Lodge #112. I have been their Secretary for 34 years now and what would be difficult about the Recorder's position? Well I was mistaken. If I did not have the help and assistance from the office staff I would have been lost. Both Dee and Pam are gems and whenever you are in the office say thank-you to them. They go that extra mile to keep our Shrine Centre functioning.

Well the summer parades are winding down and with that the "Fall" events. Mark on your calendar the Khartum Scotch Tasting Event on September 22nd. chaired

by High Priest & Prophet Noble Denis Lorteau. Then in October we have our Khartum Shriners Fun Night on Friday, October 26th. and it is chaired by our 2nd. Ceremonial Master Noble Jun Magsino. This event will kick off Khartum's Ceremonial Weekend with the Potentate's Ball closing the weekend on the evening of October 27th. No sooner will we have concluded that great weekend, we have Khartum Shriners East Coast Kitchen Party on Saturday, November 10th. chaired by our Oriental Guide Noble Robert Kirby. Tickets for all these events are and will be available in the office or from your Shrine Unit.

But during these great events that Khartum is planning to have, there are some other events that should be just as important to us all. In October we will be celebrating Thanksgiving on Monday, October 8th. I hope that everyone of you are with your families enjoying their company and be thankful for all we have here in this great country of ours. It might not be perfect; but it is better that some countries where people are leaving to maybe make their homes here in Canada. And the following day after our East Coast Kitchen Party, November 11th. is Remembrance Day. Take time to remember those that have fought it our many wars and world conflicts and those that have made the ultimate sacrifice of losing their lives so that we can live in peace.

As I always closed when I was the Worshipful Master of Ophir Lodge #112 when I wrote my Master's Message.....

"Happy to Meet, Sorry to Part, Happy to Meet Again!"

Hospital Report

By *Illustrious Sir Don Thomson P.P.*

Khartum Hospital Chairman

Your Khartum Shrine Patient Transportation Portfolio continues to be very busy getting our patients to their appointments. As of the end of August Khartum Shriners have provided for 188 patient visits and taken in 12 new patients at a cost of about \$207,800 which includes 1 medivac trip and 2 air ambulance trips.

Of the 188 Patient visits 123 (65%) Twin Cities, 61 (32%) Canada, 2 Boston, 1 Chicago and 1 Philadelphia. The patient visits from each area are; Lakehead Shrine Club 33 (3 new, Twin Cities 62, Canada 4), Dryden Shrine Club 3 (Canada), Lake of the Woods 12 (Canada), Winnipeg & Area 84 (6 new, Twin Cities 51, Canada 31, Chicago 1, Philadelphia 1), Interlake Shrine Club 2 (Canada), Selkirk Shrine Club 7 (2 new, Twin Cities 5 Canada 2), Brandon Shrine Club 3 (1 new, Twin Cities 6, Canada 5) and Pembina Valley 3 (Canada 1, Boston 2).

In 2017 Shriners Hospitals for Children provided care for 145,027 patients, including 59,253 new patients who now know the unique brand of hope and healing that can be found at a Shriners Hospital. The staff at Shriners Hospitals for Children is committed to giving each patient their full attention to ensure the child receives the best care and resources available so that they can recover to the fullest extent possible and have a full productive life.

Statistics for the Shriners Hospitals for Children,

Canada for the first quarter (January To June) are; 2307 New Patient Referrals, 11148 Clinic visits, 570 Surgical Operations at Shriners Hospitals for Children, 62 Surgeries outside of Shriners, Average length of stay is 3.9 days with an average of 8.3 patients/day in hospital rooms and 782 "No Shows", patients who never kept their appointments for one reason or another without informing the Hospital. Shriners Hospital for Children, Canada is the 3rd busiest Shrine Hospital behind Mexico and Northern California.

In the last few months Khartum was offered 2 wheel chairs that were in like new condition. On my trips to the Board meetings I delivered these to the Shriners Hospital for Children Canada where they will be put to good use by patients.

I would like to acknowledge the family of Larry Wayne Welishen who donated a wheelchair van to Khartum Shriners. Mr. Welishen who was confined to a wheelchair passed away on June 26, 2018. As Khartum Shriners did not have a requirement for this vehicle we sold it with the proceeds going to the Patient Transportation Fund. Below is the cheque presentation from Jerry Vande of Gauthier Auto Group with the proceeds from the sale of the van and a photo of Larry at the Shrine Circus in the 1950's. I should also acknowledge Noble Kelly Eldridge and Grant Gillan's for assistance in arranging for the sale of the van.

Hospital Report - Continued

In May the Ladies of Khartoum Circle of Friends Brunch raised \$4021.23 to go the Shriners Hospital for Children Canada "Pet Therapy Program". This program utilizes trained dogs which are brought into the hospital to help comfort and lift up the spirits of the patients confined to the hospital. Below is a picture of Don Thomson presenting the cheque on behalf of the Circle of Friends to Bill Miller Chairman of the Board of Directors Shriners Hospital for Children - Canada.

During the recent Imperial Council Annual Meetings held in Daytona Beach, Florida there was legislation on the agenda which will affect how 5 Shriners Hospitals for Children would operate in the future. The joint boards in conjunction with the Boards of Directors for these hospitals are working on a direction these will take. The Hospitals that are affected are Boston, Cincinnati, Spokane, Twin Cities and Tampa. Of these the Twin Cities will affect our patients the most. In discussion with members of their Board of Governors they recognize that changes will have to be made on how they conduct business. To that end they are looking at partnerships with other hospital facilities, using Telehealth and or setting up outpatient clinics. Whatever the outcome is the board of governors want to create the ability for the patients and families to continue having that "Shrine" experience and not just an office with 1 or 2 clinic rooms. This is not going to happen overnight but will come gradually over the next 6 months to 1 year. Medical care and treatment is changing around us and if Shriners want to continue to be a leader our medical centers will have to change the way we do things as well. Shriners Hospitals are looking to treat more Kids in more locations in a more cost effective manner.

In 2010 the Institute of Medicine's report on the future of Nursing recommended 80% of the nursing workforce have a bachelor of Science Degree or higher by 2020. Advances in science and increasing patient complexity have accelerated the need for nurses with skill and knowledge to manage a challenging and increasing diverse health care environment. Shriners Hospitals for Children supports this recommendation and presently;

- 22% of our direct care nurses hold advance certification in a specialty area. (The Shrine System Goal is 40%).
- 70% of our direct care nursing workforce has a bachelor or higher degree in nursing.
- Voluntary nurse turnover is 2%, well below the reported national average of 16%.
- 95% of our patients report satisfaction for overall inpatient and ambulatory surgical nursing care. (Press Ganey Survey)

Hospital Report - Continued

Shriners Hospitals for Children is a Health Care System dedicated to improving the lives of children, by providing pediatric specialty care, conducting innovative research and offering outstanding educational programs for medical professionals. Children up to age 18 with Orthopedic conditions, Cleft Lip and Palate, Spinal Cord Injuries and Burns are eligible for care and receive all services in a family centered environment regardless of the family's ability to pay. If you know of a child who we could help provide them with a better quality of life or health please have them contact your hospital chair at 204 925-1439 or email khartumhospital@mymts.net and I will follow up with them.

On behalf of Shriners Hospitals for Children and the children you help, I thank you and your ladies for everything you do; your love, compassion and support is greatly appreciated and does not go unnoticed. As a philanthropy, Shriners have fun and help Kids; remember, if you change the life of 1 child, you change the world and create a legacy.

A Message from Our Oriental Guide

Noble Robert Kirby

Dear Nobles,

As I write this article, we have just returned from Deadwood South Dakota having spent a wonderful time with Nobles & Ladies from across the Mid-West. It has been an exciting year, yet very busy year as your Oriental Guide.

While we have had the pleasure of another awesome summer filled with sunshine, I have travelled along with other Nobles and Ladies to several parades and Shrine events:

Parades

Lac du Bonnet
Winnipeg Beach
Gimli
Dauphin
Mid-West Shrine Parades
Morden Corn & Apple

Events

Red River Exhibition
Lake of The Woods Fish Fry
Masonic Family BBQ
Safe Cruise Night

I want to take this opportunity to recognize the dedication and support of the Units who have come out to participate in the parades this year. However, I would be remiss if I didn't note the declining attendance of Khartum Shriners in the parades. If Shrinedom is the fun side of Masonry, then why do we have so few participating in our events and parades?

Our marketing and future is based on the community parades and events we host, the FEZ is our greatest marketing tool and we need you out to participate. When I presented the state of our Temple at our last stated meeting, we had 667 Shriners in our Temple, if we could get one-third to participate in at least one parade per year, we would have a better showing than we currently have in parades. This year, the Divan has worked diligently doing our best to bring the fun back into the Shrine while being fiscally prudent with your funds.

You elected a Divan to run the Temple but that is only the Leadership; it is up to each and every one of you to participate when and where you can. Participation is not only going to parades, it's about wearing the Fez proudly and telling your community what Shriners are all about. For those of you who came out to our last stated meeting, you would have seen the presentation that I presented on the future of our Temple and how we are losing an average of 44 Nobles every year to suspensions and the black camel. If you were unable to get out to the meeting and are interested in the presentation, please email me at:

khartumpote2022@gmail.com and I will be happy to share a copy with you.

THE FUTURE OF OUR ORGANIZATION DEPENDS UPON YOU!

As a member of your Divan and a devoted Shriner, I will do whatever it takes to turn our Temple around but we need YOU! We are hosting an "East Coast Kitchen Party" on November 10th where we are expecting more than 1000 people to come out and enjoy some East Coast Hospitality but we rely upon you to sell the tickets and come out to the event. If you want to make a difference to our future, you will join us and you will bring a friend, a neighbour or an elected official so we can share with them the great work of our Fraternity. This is an opportunity for each one of the 667 Shriners who are members of Khartum Shriners to participate in our future by selling a couple of tickets. Our goal is to bring new Shriners into our organization by hosting events like this so the Community understands what it is we do. A little fact, "If just 1/4 (500) of our Shriners purchased two tickets, we would be sold out of tickets". I plead with you to do your part and support our great Philanthropy by participating in this event.

In October, we will be hosting our annual ceremonial event where we bring in new Shriners. It is my goal that we bring no less than ten new Nobles into the Order of the Mystic Shrine. I personally am in the works to bring seven new Nobles in by October, so I put the challenge out to each one of you to do the same and set a goal to increase our membership with Nobles who will walk and ride in parades because the children we support cannot.

NEW PARADE UNITS BEING FORMED

As part of our drive to increase membership and attract the next generation of Shriners, the Temple will be supporting the formation of some new Shrine Parade Units. If you are interested in being a pioneer of the new Shrine Units, please contact me and I will put you in contact with the appropriate people.

Khartum Shrine Drifter Unit (Official Unit Name to Come)

Khartum Shrine Remote Parade Unit (Official Unit Name to Come)

Khartum Shrine Drone Unit (Official Unit Name to Come)

If you have an interest in participating in the formation of one of these new Units or have an idea that could be turned into a new Unit, please contact me and I will assist you in pulling it all together.

In closing my report, I want to encourage that while you are a Shriner, you are first a Mason. It is extremely important to ensure that you participate in your Blue Lodge if we want the Blue Lodge to participate in the Shrine.

First Annual

East Coast KITCHEN PARTY

Nobles and Ladies,

On November 10, 2018 the Khartum Shrine will host the 1st annual East Coast Kitchen Party at the Red River Exhibition. The evening will provide us an opportunity to show Winnipeg what Shriners are and what the Masonic Order is all about. So often I hear people talking and saying, I remember those guys in parades with tiny motorcycles and cars; but what is the Shrine all about? This special night is about inviting your neighbour, your co-worker and your best friend to come out for an evening of fun.

This is a public event and we only have 1000 tickets available. We have already received requests for tickets from Kem Temple, El Zagal Temple and WaWa Temple. Tickets are \$50.00 each and include either a Lobster Supper or Ham Supper along with an East Coast Dance Party lead by the Dust Rhinos Celtic Band. We are expecting that we will sell out of tickets before July so please do not wait to get your tickets. At 8:30 pm, we will open the doors to the public who wish to party with the Dust Rhinos for a \$10.00 per person cover charge.

For those of you who live outside of Winnipeg, Ill. Sir Andrew Skene our housing chairman has held a block of rooms at the Viscount Gort. If you require

any information on lodging, please contact Ill. Sir Andrew Skene at agskene@gmail.com or (807) 223-2330.

An event of this nature takes a lot of volunteers to make it successful. If you have the time and want to volunteer for the evening, please contact the Noble Oriental Guide, Robert Kirby at (780) 792-8807 or via email at robert.kirby@telus.net.

If your Unit, Club, Lodge or concordant body has an interest in selling tickets, we have packages already made up. Any tickets your club sells will result in a \$5.00 per ticket commission back to your club or unit. If interested, contact Noble Robert Kirby.

In closing, we are looking for auction items for the event as part of this fundraiser. If you are able to get any auction items, please drop them off at the Temple or contact Noble Kirby to pick them up.

We look forward to seeing you at our event.

Faternally,

Noble Robert Kirby

Clan 85 Hillbillies

Howwdeeee!!

From the....

"Khartum Shriners
Clan 85 Hillbillies Unit".

Hope y'all had a great summer...hot hot!

Another season of parading has come to a close and the Clan 85 Hillbillies attended many of them having a whole bunch of fun participating and getting lots of smiles and waves from the "kids" of all ages. After the parades we enjoyed the "fellowship" at various Oasis. Thanks to all the Royal Canadian Legions

Branches and our members for their wonderful hospitality. As we all know this is all about having fun and helping kids in what we believe is the "World's Greatest Philanthropy". Parading is one of our best opportunities to seek public awareness of who the Shriners are and what they do.

As we always proclaim, the "Clan 85 Hillbillies Unit" is a very versatile unit with no specific uniform other than the traditional "Hillbilly" attire of coveralls, overalls and the likes along with the traditional Hillbilly floppy hats, corn cob pipes, etc. Our Clan 85 Hillbilly members or as we call 'em, "Kuzzinz", can choose to walk or ride as we are also a man-power or motorized unit. Any personal

"safe" types of vehicles such as old cars, trucks, scooter, go-karts, old bikes, etc., etc. can be used which would be subject to approval only for public safety concerns. As you can see the sky is the limit with this Unit and there is no specific purchase of any particular vehicles or clothing, etc. or surprise expenses that members would have to incur. No two Hillbillies are alike! We are always looking for new members to increase our "fambly business" and all Nobles of Khartum Shriners are welcome to join us. So if you are looking for a Unit

that's uniquely fun, "just ask" our "Keeper of the Quill" (Secretary), Kuzzin Herb by calling 204 667-9496 and he'll be glad to answer any other questions you may have about joining with us.

Wishing everyone a Merry Christmas and a Happy, Healthy New Year 2019!

Till the next time....

"Ya'll come back n ow....."

Hear !!"

Provost Corps

Noble Norm Rimmer

Well here we are at the end of August and the summer is almost over. It has been a busy summer with attending most of the parades. Fun was had by all and a little treachery with water soakers kept everyone on their toes. The Red River Ex proved to be a success this year. It is fun driving the golf carts and meeting all the different people. Looking forward to do it again next year.

The Provost Corps would like to thank all the units and clubs attending the parades for your cooperation in assisting us in getting everything lined up and moving smoothly.

The Provost Corps is still looking for any Noble not yet a member of a Unit or Club and maybe

interested in joining our Unit. Please come out to one of our meetings to see what we are all about. We meet on the second Wednesday of each month at 7:00 p.m., in Room 118, except January, February, March and December. We are here to have fun and help our kids, building for their future.

We wish all our shut-ins the best and hope they each have a speedy recovery. We extend our condolences to those who have lost a loved one since the last publication of the Khartum Khronicle.

Skooters

By Noble Lorne Britton—President 2018

As the 2018 parade season comes to an end we would like to congratulate all who participated this year.

We are currently looking for Nobles who may be interested in joining our Skooters Unit and have not found a home. We have a number of skooters in need of riders. We can train interested parties to ride safely on the street and in parades. Available units are low mileage, well maintained bikes. Contact any member of the Skooters Unit.

We held our August meeting at the Silver Heights Restaurant and our Ladies, and available children, joined us for a dinner and evening of comradeship.

In closing we want to wish all a short, and not too cold, winter as well as safe travels to all the Snowbirds.

Khartum Flag Patrol

By Noble George Enarson

Nobles wasn't that a wonderful Summer.....it was hot, great for swimming at the lake sun tanning, and enjoying the odd ice-cold Lemonade.

Congratulations to all the Nobles and their Ladies and families for coming out to support Khartum Shriners at many parades in various communities as they celebrated during the Summer and now into the fall.

Smiling Shriners left a lasting impression on many families along each parade route. In no particular order we marched in Transcona, Gimli, Winnipeg Beach, Selkirk, Stonewall, Lac du Bonnet, and Morden with more requests coming in. Special thanks to our own Patroller "Chief of Staff Noble George Kuch " who co-ordinates all the requests

for the Shrine participation and carry our colours on the Patrol Red Golf Cart. Well done George!

Several Patrol Nobles helped out at the parking for Cavalia and had a great success at the Red River Exhibition. They also helped with the "Kan Van" and attended Unit Council meetings on a regular basis. The Patrol now has Grey Cup Tickets available at \$2.00 per ticket so don't be shy of purchasing several. We are also awaiting the arrival of the Shrine Christmas cakes under the guidance of Nobles Wilf Blommaert and Noble Jim McKendry. The last few years have been a struggle for Khartum's oldest marching unit, now celebrating its 109th year.

(Cont'd next page) >>>>>>>>

Khartum Flag Patrol - cont'd

The first record of the Patrol activities was December 17th, 1909. Although there were a few dormant years, 1948 marked the official Patrol Unit on its own without the Chanters and Drum Corps. At present we have 12 active Nobles and 3 honorary Patrollers who join us on parade.

Our newest Patrol member Noble Wayne Holberg and his Lady

Nobles, your dedication and support is very much appreciated and a key element in keeping our flags flying for Khartum and our Shrine Hospitals®. The Patrol certainly enjoys the fellowship and fun we have with other units of the Khartum.

On Friday December 7th the Patrol and Khartum Komediens will be hosting a Ladies Night 2018 at the Shrine Centre.

Cocktails at 6:00 pm

Dinner at 6:30 pm in a family style format

Cost is \$50.00 per person

Dress is walking out with Fez. All monies must be in by a due date of November 7th 2018. After that no more will be accepted.

It promises to be a special event to honour our Ladies who have always been a "special" part of Khartum. We hope you will be able to attend.

The Chief of Staff will be contacting the units and the Divan with invites. Noble George has been making special arrangements for a fun evening with gifts and prizes. It promises to be a special evening for all.

As we approach the Fall season, according to weather forecaster CBC John Sauder, we could have a great many warm weeks and many traditional Fall Suppers.

Nobles there are many other events within the Masonic and Shrine organizations that extend invitations to each and everyone of us. Please try to attend these special events that very often are fund raisers so they can continue operating. They need your support!

Earlier in our report we invited everyone to our Ladies night on December 7th 2018, and 18 days later is Christmas, so on behalf of Patrol we would like to wish you all a wonderful family Christmas and a great Shrine year 2019. Take care everyone!

Ruff Riders

By Noble Doug McKechnie

Greetings from the Ruff Riders.

Our shrine Dinner at Silver Heights Restaurant on Saturday April 28 was a most enjoyable evening with excellent food, steins of good cheer, and our usual humours times. We enjoyed having our special friends and their Ladies.

Our "Day at The Races" on Sunday May 6, was another super fun afternoon. The Donkey's were at their best and each race was exciting. We thank all those who attended and the Skooter Unit with whom we shared this event. A good time was had by all.

On May 12th we dug our bikes out of storage and started to practice for the upcoming parades.

By the time you read this, with the cooperation of the weather, which has been great, the "Big Reds" will have appeared in the following parades:

- Hi Neighbour Festival in Transcona (June 2nd)
- Lac Du Bonnet Parade (July 1st)
- Selkirk Parade (July 14th)
- Pinawa Parade (July 21st)
- Winnipeg Beach Parade (July 25th)
- Dauphin Parade (August 4th)
- Gimli Parade (August 6th)
- Morden Parade (August 25th)

We enjoyed our many get togethers after the parades. Following the Gimli parade we would like to thank Peggy and Doug Steel who once again hosted the repast after the parade.

Looking better than ever in their 36th year our Bog Reds appeared in the parades all summer all spruced up and looking mighty nice. This year new "water features" were added to two bikes which created a lot of fun. We plan to participate in the Beausejour Parade on September 8th and look forward to their hospitality.

In the last two years our unit has grown a great deal. We now have eleven bikes in operation and we are looking for other bikes to purchase as our membership grows. Our Potentate, Ill Sir Alvin Allard, and five other Divan Members are all members of our unit.

The Mid West Shrine Association happened on August 15th to 18th in Deadwood, S.D. Six of the Big Reds participated in tow parades. In the motor competition our unit came in first again!!

We would like to thank our President Hamish Barret for hauling our bikes to all the parades.

We have had a fun year so far. If there is anyone interested in joining our unit, we are always looking for new members. We are a fun group and ride on three wheels most of the time, to keep us out of trouble.

Khartum Ruff Riders

The Khartum Shrine Centre is located at 1155 Wilkes Avenue Winnipeg, Manitoba R3P 1B9

The Shrine Fez bearing the name Khartum, so familiar to many people in Manitoba and Northwestern Ontario today, was relatively unknown until 1905 when Khartum Temple was introduced, established and chartered in Winnipeg, Manitoba, through the efforts of members of the Masonic Order, Scottish and York Rites and the Shrine of North America. Thus, the name "Khartum", taken from the chief city in Sudan, became Temple No. 95 in the Shrine of North America and the fifth temple to be chartered in Canada.

As membership rapidly grew throughout the Shrine of North America, the Imperial Shrine officers recognized that Shriners had to have a mandate that would keep their membership united in a common purpose. Thus, in 1922, was established the Shriners Hospitals for Children, which to this date is known as the "World's Greatest Philanthropy". Its mandate was to set up and maintain a network of hospitals for treating children with orthopedic or burns injuries. In 1923, Khartum Shriners proudly sent their first three patients to the Twin Cities Shrine Hospital for Children for treatment at no cost to the children or their families.

In earlier years, as the membership of Khartum grew, meetings were held at several venues throughout Winnipeg. Before moving into its current premises, the Temple was located in the former Ashdown residence at 529 Wellington Crescent, noted for its prestigious charm, beauty, presence, location and historical significance.

In 1937, Khartum was given jurisdiction over the Lakehead and Northern Ontario areas, which extended the Temple's jurisdiction from the Saskatchewan border to approximately 120 miles east of Thunder Bay.

In 1949, the Winnipeg Unit of Shriners Hospital for Children was built and in operation shortly thereafter. This was the pride of Khartum and was, no doubt, one of the main reasons for its membership growth as loyal and committed members served and supported the Shrine philanthropy. With

the introduction of the Canadian universal medicare system, the Winnipeg Unit of Shriners Hospital for Children was turned over to the Manitoba government in 1977. Khartum also introduced the Stop Burns Injuries Program, which provides fire-

prevention educational services to school children as well as a public service to senior residences and other organizations interested in preventing burns injuries.

Our philanthropy has been further enhanced in Khartum through the recognition of children in need of our services with the introduction of the Khartum Patient Transportation Fund, which is a registered charity. The fund has enabled Khartum to triple its patient load of children requiring and needing our no-cost medical services.

We recognize and proudly salute the support received from our various Shrine units operating out of Winnipeg and our Shrine clubs outside the city. All members of these units and clubs stand proud and tall for the many contributions they make in terms of time, effort and resources to the Shrine of North America and to the communities, towns and cities they represent.

Over the past several years, many fund-raising initiatives have been introduced and well supported by hardworking and committed nobles and their ladies who assist our whole organization to fund general operations and to help children who cannot help themselves.

In 2000, the Temple moved into its new and permanent home at 1155 Wilkes Avenue in Winnipeg, where it services the needs of its members and offers first-class facilities to the public for meetings and other functions and events.

Khartum Shriners and their ladies remain fiercely proud of the contributions and services we provide through our obligations and commitment to what we believe is the "World's Greatest Philanthropy".

Lakehead Shrine Club

By Noble Bob Vogt

Over the past few months The Lakehead Shrine Club's "Cycos Unit" and "101 Unit" have been very busy. Activities helped raise money for The Shrine Transportation Fund and to support the Club. All in all a very busy, successful and fun filled year. Well Done to all those Nobles that found some time out of their busy schedules to come out and support your local club, and the Shrine kids in general.

KOMEDIANS

By: Noble Guy Arbez "Gigglzz"

Oh how the clowns love summer for the parades, MSA and the water. As the Komediands attended many summer parades, the aforementioned water came out amongst several units including the Rat Patrol, formerly known as the Rough Riders. To say the least water did not only come from the guns, but also the tears from laughing so hard.

In August, 7 Komediands with their Ladies headed off to MSA in Deadwood, South Dakota. Congratulations to Noble Denis Lorteau for winning second place for both Costume & Makeup and One Man Skit.

As there were two parades, the water wars started up again. Now I am not saying who started it but the following picture may give you an idea.

KOMEDIANS cont'd

Poor Noble Davis, feeling 20 to 30 pounds heavier with the water in his costume, decided to take a different approach to defending himself as shown below.

At last there was a lot of enjoyment had by all having made the summer of 2018 very memorable. Before closing off, we did have a couple of days of rain. Unfortunately Noble Kevin Davis did not bring a large enough cover for his motorcycle and came up with a very creative way to cover the bottom half of his motorcycle.

Sioux Lookout Shriners Report

August 24, 2018

It has been a busy year for the Sioux Lookout Shriners. Our town's Blueberry Festival brings many visitors to town for all of the activities, right in the middle of summer when things are busiest for our local Shriners. Many of our Sioux Lookout Shriners have young children and thus time is in high demand during the summer months.

But like any great team the Sioux Lookout Shriners pulled together and held 2 barbeque style fund raisers during the festival weeks. Led by Noble Greg Ward, his Lady Liz and Noble BJ Egerter and his Lady Kelli. Along with the rest of the gang and lots of hard work as hundreds to possibly thousands of burgers and hotdogs were sold. Significant profits were made and the Sioux Lookout Shriners are once again looking forward to bringing a donation to the Potentate's weekend for the Shrine Children's travel fund.

Finally as all Masons and Nobles know, in addition to caring for our Shrine children we also look after our own. Our brother and Noble BJ Egerter and his Lady Kelli's nephew is currently fighting a courageous battle with Stage 4 brain cancer and while not a Shriners hospital patient, he is one of ours and his family needed our support. There have been significant medical and

travel expenditures getting this little 8 year old the medical care he needs. As such lead by Past President Noble Klaus Knorz and his Lady Tera along with the cooking expertise of Noble Greg Ward and his Lady Liz a special prime rib banquet dinner and auction was held to support the Egerter family. 25 were in attendance and over \$3000 was raised and presented to the family to support their nephew's courageous battle with brain cancer.

Many of our Sioux Lookout Shriners are members of Khartums Ritualistic Unit. The Sioux Lookout Shriners would also like to extend a very special and sincere thank you to our brother Noble Bob James and his Lady Gayle for travelling to Sioux Lookout and helping us with this benefit dinner for our brother's family.

The Sioux Lookout Shriners are also looking forward to this fall's Potentate's weekend and ceremonial as we have some new brothers eagerly looking forward to becoming Shriners. We hope to see as many of our fellow nobles as possible there.

May the sands be cool under your feet and the water cold!

Pipes & Drums

By Noble Mark Fenny

The spring and summer of 2018 has turned out to be one of the hottest on record. For the band it has meant that members were spending more time around the pool, at the cottage or just enjoying the sunshine before the inevitable arrives. This has meant that the band has been challenged to find enough members to field a band and has meant that the band has had to pass on some events, which has been disappointing and frustrating for the marching officers.

This year began with the loss of a long term friend and supporter Sylvia Henken. Four members of the band attended the memorial service for Sylvia held in Sioux Falls, South Dakota. Noble Kelly Eldridge, Wayne Lucas, PM Jim Simon and PM Emeritus George MacDonald. They played at what was from all accounts a professionally run event. Not surprising since over the years Sylvia and her husband owned a number of radio and television stations. I am attaching a link for those of you who might be interested:

<http://storytellingamerica.com/Sylvia/>

Things then went from bad to worse. A long time supporter of the band and mother of Rick and Ronnie, Joan Culbertson passed away unexpectedly. The condolences if the band go out to Rick and Ronnie and their families. If that wasn't enough Barb Culbertson (Ronnie's wife) had a stroke and then shortly thereafter she

suffered a heart attack.

The good news is that her recovery seems to be doing well and well on her way to a full recovery. Next Doreen Parker, Jack's wife suffered a broken shoulder/arm and has been undergoing a long and painful recovery. Rick Jones suffered a heart attack and is at home recovering. Although Rick was forced to resign from the band as a result of the arthritis in his hands, our thoughts and good wishes go out to Rick and especially Maryanne, who has to take care of him. The playing season was limited; but thanks to Roy Lux the band was again invited to play at the Pollard Banknote family day. The band was well received and they even fed the members who were able to attend. The band received a generous donation for its performance. Following that performance the band played at the Winnipeg Relay for Life following of which the band hosted a number of the local pipe bands at Shrine House. It turned out to be a great event to thank the bands for their support and also served to bring the bands closer together. The big event of the summer was Folklorama and as is normally the case, the band did an excellent job and entertained the full house with a number of great tunes.

The scribe needs your assistance. To date I have only received a few pictures. If any of you acquire pictures of upcoming events, please send them along to either myself or "wee" Jimmy Little. It really does help make these articles a good deal more interesting.

Due to our age SBI is looking for 'NEW BLOOD' to continue with the SBI program. I will continue to 'Chair' as long as I can; but need assistance with the presentations.

Nobles that are interested must be able to attend during 'School Hours'.

Thank you to all the nobles and ladies that came out to participate in all the summer parades, including Safe Cruise Night (thanks to Noble Ross Holt for arranging this evening each year)

I spent 3 days in Morden, at the Corn and Apple festival selling car raffle tickets. Over \$7000.00 in sales. I didn't do this alone, and could not have done it without the support and hospitality of Noble Jack Edgar and his Lady Verna. They host me in their home for 3 days so I do not have to travel to and from Winnipeg each day. They also spend the 3 days at the site helping with the ticket sales. Noble Jack and Lady Verna have been doing this for a number of years and on behalf of Khartum Shrine we extend a very sincere THANK YOU.

Our unit meets on the third Monday of the month at 7:30pm at Shrine House. New members are always welcomed.

We are looking forward to hosting the Grey Cup party with the Khartum Ruff Riders on Sunday, Nov. 25, 2018.

Place: Shrine Centre

Time: Doors open one hour prior to game time

Cost: \$25.00 each

Tickets available from Noble Hamish Barrit @204-253-0293, Noble Gary Saunders@204-256-0811 and Dee @ the Shrine Office.

To our nobles and ladies that are faced with health challenges, you are in our thoughts and prayers and we wish you all the best.

Merry Christmas and Happy New Year to everyone. May the spirit of Christmas be in your hearts all year round.

Yours in the faith,

Noble Gary Saunders P.P.

All Shriners are Masons, but not all Masons are Shriners.

Shriners International is a spin-off from Freemasonry, the oldest, largest and most widely known fraternity in the world. Freemasonry dates back hundreds of years to when stonemasons and other craftsmen gathered after work in shelter houses, or lodges. Over time, the members organized into Masonic guilds and the tools of their trade – the square and compass – became the symbol of their brotherhood.

Over time, Masonry evolved into an organization that began to accept members who were not craftsmen. Today, Masonry is built upon a foundation of improving character and strengthening communities, though the square and compass are still the symbols of the fraternal brotherhood.

When Shriners International was first founded in 1872, the organization built on the principles that guided Freemasonry, while adding an element of fun and ultimately, philanthropy, that set Shriners International apart. The two organizations are also structured similarly:

Shriners have temples; Masons have a Blue Lodge or Craft Lodge

Members of the Masonic lodges are required to learn about their fraternity and earn a series of Masonic degrees.

When a member has completed the third and final degree he becomes a Master Mason and is then eligible to become a Shriner.

Additional courses of Masonic study are available – these are known as the Scottish Rite and the York Rite.

To learn more about how to become a Mason and a Shriner visit beashrinernow.com

As fellow Shriner and NASCAR Driver, Noble David Ragan states: Membership of Shriners International is focused on the Fraternal Brotherhood of Fun; Fellowship with Family & Friends and the Philanthropy of Shriners Hospitals® for Children. This year's "theme" at the Shriners International Membership Seminar [Oct. 04-06, 2018] is: "RACING INTO YOUR FUTURE".

Let's get together and recruit some new members and see if we can beat the last few years records of 4 members. Let's get our numbers up this year to 12 members from Winnipeg, 6 from Manitoba and the same for NW Ontario. A "thank-you certificate" will be presented to the Noble that brings in the most members. Let's surprise our outgoing Potentate and give our incoming Potentate a warm welcome. Join in the fun and recruit some new members! Remember: "We are Family", and recruiting our Lodge Brothers will help us all "Race Into the Future"!

ESSAY THEME

“What is the Purpose of the Masonic Fraternity Now and In the Future?”

Your thoughts in conveying about the purpose of the Masonic Fraternity are needed by the Masonic Renewal Committee to reunite and re-generate our efforts to revitalize Freemasonry.

The MRC Committee has in the past published the following resources to assist Lodges in their efforts to revitalize Masonry in their Lodges:

101+ Ways to Improve Interest and Attendance in Your Masonic Lodge; 150+ Ways to Involve Your Lodge with the Family and in the Community; Leadership Development Program and recently a Leaders Resource Handbook.

These publications are available and in use by Lodges today. Also, in the 1990's, the Committee was instrumental in the collection of data about Masonry and the profane.

This survey was very useful by Grand Lodges and Lodges to pinpoint and concentrate efforts to expand the knowledge of the profane about Freemasonry.

Enter the 2018 Masonic Renewal Essay Competition and share your thoughts and ideas on the theme:

“What is the Purpose of the Masonic Fraternity Now and in the Future?”

WHAT IS: Masonic Renewal?

The Masonic Renewal Committee (MRC) of Canada, the United States and Mexico is chartered by the Conference of Grand Masters of Masons in North America, Inc. Its purpose is to facilitate the innovative endeavors of Masonic Jurisdictions as they strive to move the Craft forward. To do this, the MRC draws on the expertise of a number of Past Grand Masters as well as representatives from the Northern and Southern Jurisdictions of the Scottish Rite and Shriners International. In addition, the MRC gathers information provided by a growing number of contacts from within various Masonic Jurisdictions. This way, the MRC is able to collect information from both the top down and grassroots sources of Masonic development. The reason why the MRC collects and organizes this information is so the innovative efforts of lodges, Grand Lodges, committees and so forth are able to be researched and viewed so other Masons do not waste time, energy and resources reinventing the wheel. In addition, it will serve as a means to give credit to those efforts and help inspire others to follow.

Shrine Christmas Cakes

Nobles, ladies and Friends,

Our cake sale should be up and running the first week in October and we will notify the Nobility as to exact dates and times for pickup of the cakes from the Shrine Centre.

This year we have a new supplier, Oma's Bakery which have been doing the cakes for Dauphin for a number of years. We supplied them with a sample of our cakes from the pervious baker and they have come up with one similar.

The cakes will still be 3 lbs in a box at the cost of \$20.00 each.

This year the boxes will be plain white with the Shrine logo and list on ingredients on each. Cases will contain 15 (3-lb boxes), not 12 as in the past.

Thank you for supporting this fundraiser in the past and I look forward to your continue support.

Yours in the Faith,

Ill Sir Gary Saunders [P.P.]

Thank-You Nobles!

OK Kevin,

Hey Jim!!...but..

My work is
finally
completed..

I always paint with
my eyes closed..

Hmmm!! I sure hope that
guy knows how to operate
this....

Yeh, I'm the "boss" ...
any objections??
